**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Consumers need to have open and fair competition for internet and telephone services to keep prices down and give the people more choice and also encouraging providers to provide the best services and prices to keep the costs down for the consumer. Please do the right thing for all the consumers in this country!!!
